“Fix-a-Test” description

Each rider will have a ½ hour block of time for his or her test/clinic. They will begin by riding their chosen test at their scheduled time to be judged. Following their ride, the judge will spend time coaching them to help improve their score. The rider will then ride the same test again to be judged for the second time. The second ride’s score will be used for the competition. Both score sheets will be returned to the competitor when all of the rides in their class are complete.

First through sixth place ribbons will be awarded in each class. The following special awards will also be presented at the end of the weekend.

- Highest test score at each level
- Most improved test score
- Dressage equitation
- Most potential to be a dressage horse/pony
- Judges choice

Copies of all of the tests are available prior to the show if you need them. Please note that the dressage tests are new this year.

Formal OR informal attire is appropriate; boots, helmets and legal bits are required. Any type of saddle or breed of horse/pony is welcome. Western & Gaited horses are welcome.

Overnight stabling is available for \$20.00 / night, bedding & buckets are included.

Ride times will be available on 4/14/11 and will be e-mailed to you. Refunds will only be given with a vet/doctor’s excuse or if there is an available rider on our waiting list to take your place. A fee of \$30 will be charged for returned checks.
